EDUCATION

Queen's University
Honours Bachelor of Computing in Software Design (B.Comp.H.)

Kingston, ON
Exp. April 2020

SOFTWARE PROJECTS

Mandelbrot Set Visualizer (Python 3 / Pillow / Tkinter)

2016

- ◆ An object oriented interactive Mandelbrot set, made with Python 3, and the PIL and Tkinter modules.
- ◆ <https://github.com/rosslh/Interactive-Python-Mandelbrot>

HidePass - Firefox Webextension (Javascript)

2016

- ◆ A security extension for Firefox which hides the asterisks normally shown when entering a password, so that the length of one's password cannot be determined.
- ◆ <https://github.com/rosslh/hidepass>

Justlink.co - Smart URL Shortener (Python / Django / PostgreSQL)

2015

- ◆ Written in Python using the Django framework, you simply need to type "justlink.co/your-description-here".
- ◆ Justlink.co takes your description and queries a search engine for its first result. It then redirects you to that result.
- ◆ <https://github.com/rosslh/justlink.co>

WORK EXPERIENCE

Walkhome Service Staff

September 2016 – Present

Alma Mater Society

Queen's University, Kingston, ON

- ◆ Walkhome is a Queen's student-run service that provides safe walks to students on and near campus.
- ◆ As a service staff member, I was expected to make good conversation while ensuring the comfort of my patrons.

Ski Racing Coach / Ski Instructor

Winters, 2013 – 2016

Caledon Ski Club

Caledon, ON

- ◆ In Alpine Development, I taught children how to ski, from their first time on skis to racing competitively.
- ◆ I gained experience in leading medium-size groups and working in a team with other employees.

Counseling Staff

Summers, 2014 – 2016

Camp Hurontario

Georgian Bay, ON

- ◆ Over the summers of 2014 to 2016, I was as a counselor at this canoe tripping camp on the Georgian Bay.
- ◆ In this position I worked with many different age groups from six to fourteen years old, and gained experience in working with people of different ability levels and interests.
